#### V. APPLICANT SIGNATURE

**Section 23a of the State Construction Act of 1972, act No 230 of the Public Acts of 1972, being Section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.**

Signature of Licensee or Homeowner: (If homeowner is signing here they must also sign the affidavit below.) : \_\_\_\_\_

#### VI. HOMEOWNER AFFIDAVIT

I hereby certify the mechanical work described on this permit application shall **be installed by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the State Mechanical Code and shall not be enclosed or covered up, or put into operation until it has been inspected and approved by the Township Mechanical Inspector. I will assume the responsibility to arrange for necessary inspections.

Signature of Homeowner : \_\_\_\_\_

#### VII. PLAN REVIEW REQUIREMENTS

Plans and specification for new construction work, alteration, repair, expansion, addition, or modification work shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architects or engineer's signature and seal.

- If a plan review is required it must be done before a permit can be issued!**
- Exception 1: Alterations and repair work determined by the Code Official to be minor in nature.
  - Exception 2: Work completed by a governmental subdivision or state agency costing less than \$15,000.00
  - Exception 3: A building of Use Group R-2, R-3, or R-4 containing not more than 3,500 square fee of habitable building area.
  - Exception 4: A building of Use Group B, M, or S-2 having HVAC equipment only, with one fire area and not more than 3.500 square feet.

**Please Note: A driver license number or a state ID number, for non-drivers, is required of the person signing a check!**

**VIII. NOTES**

**If you have any code questions, please call the Mechanical Inspector, Monday thru Friday @ (231)224-3861 for general questions and to schedule inspections call (231)689-7216**

Item #2-Residential Heating System: Is used for the installation of a heating system in a new residential structure. This requires two inspections, rough-in & final. Check fee schedule for additional charges. Replacment systems should be itemized.

If an item is not listed in the category you are working in and it is in the other category, write the item in the blank toward the bottom of the column and use the unit charge listed.
